

NORTHERN CALIFORNIA PORT SAFETY AND SECURITY COMMITTEE

Notice to the Maritime Industry: Port Security Grant – Round 3

The Transportation Security Administration (TSA) announced the Port Security Grants - Round 3 based on the seaport security provisions contained in the FY2002 Supplemental Appropriation (Public Law 107-206). TSA is coordinating with the U.S. Coast Guard (USCG) and the Maritime Administration (MARAD) in this effort and will award competitive grants to critical national seaports/terminals to support efforts for Port Security in the area of Enhanced Facility and Operational Security only. Total anticipated funding available for Port Security Grants is \$104,000,000. All awards under this program are subject to availability of funds. Please see <https://www.portsecuritygrants.dottsa.net/> for the announcement and application details.

Note: Applications are to be submitted electronically to TSA by 2:00 p.m. EDT on August 21, 2003.
